## **GIST OF DISCUSSION:**

- 1) Pre bid meeting was held through Video conference system.
- 2) During the Pre-Bid meeting some queries were raised by the above participating bidders and same were discussed. Queries raised and IGGL reply are as follows for information to all concerned:
  - i) Two bidders i.e., M/s Growever Infra Pvt. Ltd. & M/s Deshpande- patil Consultants raised pre-bid queries over mail dated 17.02.2022 regarding similar work of BEC (Technical) of the tender. Queries raised and IGGL replies are as follows for information to all concerned:

<b>Description/ Tender clause no.</b>	<b>Query raised by M/s Growever Infra Pvt. Ltd.</b>	<b>IGGL's Reply</b>
<b><u>Section-II</u></b>  <b><u>Bid Evaluation</u></b> <b><u>Criteria (BEC)</u></b>  BEC (Technical) Clause No.1.1.1  Tender Page no. 10	The definition of similar works states that "Obtaining consent to establish/operate from state pollution control boards, and/or, Acquisition of permanent land either through Government procedure or private negotiation OR in Composite Work Order inclusive of works as mentioned above". However the scope of work includes Geotechnical investigation.  M/s Growever also stated that is there any modification in the definition of similar works or the definition stands same because scope of work and the experience which is required for qualification are totally different.	<b>Refer corrigendum 01</b>

INDRADHANUSH  
GAS GRID LIMITED

Description/ Tender clause no.	Query raised by M/s Deshpande-patil Consultants	IGGL's Reply
<p><b>Section-II</b></p> <p><b><u>Bid Evaluation Criteria (BEC)</u></b></p> <p>BEC (Technical) Clause No.1.1.1</p> <p>Tender Page no. 10</p>	<p>Please kindly refer scope of work and BOQ for the said work. As the nature of work pertains to Soil investigation, Testing of soil samples, Cadastral Survey work, Providing Services under P&amp;MP act and obtaining necessary statutory approvals and permission for pipeline crossings the past experience should be in the same line of different works. As you have mentioned in BEC 1.1, 1.1.1 quote "Obtaining consent to establish/operate from state pollution control boards, and/or, Acquisition of permanent land either through Government procedure or private negotiation OR in Composite Work Order inclusive of works as mentioned above" Since none of the item of the work and sow falls for similar works your BEC criteria is vague and not in line with works to be carried out.</p> <p>M/s Deshpande also requested to review the same and put BEC Criteria either technical or otherwise in line with works item to be carried out.</p>	<p><b>Refer corrigendum 01</b></p>

- ii) On pre-bid meeting, M/s SKP Projects Pvt. Ltd. raised technical queries and same was discussed. Queries raised and IGGL replies are as follows for information to all concerned:

Sl. No.	Bidding Document		Subject	Query raised by M/s SKP Projects Pvt. Ltd.	IGGL's Reply
	Page no.	Clause no.			
1.	10 of 165	1.1.1	<p><b>Similar work:</b> "Obtaining consent to establish/operate from state pollution control boards, and/or, Acquisition of permanent land either through Government procedure or private negotiation OR in Composite Work Order inclusive of works as mentioned above"</p>	<p>We hereby request you to kindly modify it to " Geotechnical Investigation including Cadastral Survey, ROU Acquisition &amp; RoU Opening Work &amp; Obtaining Crossing Permission Work i.e. Railway, National Highway, River &amp; Forest etc.</p> <p><b>Kindly Confirm / Clarify</b></p>	<p><b>Refer corrigendum 01</b></p>
2.	124 of 165	13	Depth of Bore Hole	<p>As per our Knowledge Brahmaputra River Crossing are not cover in Scope of work.</p> <p>We are hereby request you to kindly clearly the depth of Bore holes in River Locations.</p> <p><b>Kindly Confirm / Clarify</b></p>	<p>Irrespective of river 'Boring depth shall be measured from ground level/River bed level (Meter). Depth of actual soil strata bored / rock strata drilled shall be considered for payment.</p>
