Sl. No.	Tender Clause No.	Tender Page No.	Description	Bidder's Query/Clarification	IGGL / VCS Reply
1.0	A.1.A	13 of 267	<p>Bidder should have successfully executed one project covering Design, Engineering &amp; Supply, Installation, Testing and Commissioning of OFC based SDH / MPLS-TP equipment along with supply/ integration of Network management system (NMS) in single order for minimum 14 Nos. (Fourteen Nos.) of SDH equipment (STM1/STM4/STM16 or above) or MPLS-TP (1G / 10G) equipment in last seven (7) years reckoned from bid due date.</p> <p>In case bidder is offering project of SDH equipment in compliance to above; then the SDH Equipment along with Network management system (NMS) offered for that project should have been in satisfactory operation for period of minimum one year after commissioning in last 7 year reckoned from bid due date.</p>	<p>Bidder requests to dilute the requirement of a single order for minimum 14 Nos. (Fourteen Nos.) to requirement of a single order for minimum 06 Nos. (Six Nos.) of SDH equipment (STM1/STM4/STM16 or above) or MPLS-TP (1G / 10G) equipment in last seven (7) years reckoned from bid due date.</p> <p>As bidder would like to confirm that, we have already completed the SAT for MNJPL project having 24 Nodes and also confirms that we have recently qualified for the SAPL project having 27 nodes. Both the Tenders were released from GAIL India Limited and had the BQC requirement as "a single order for minimum 6 Nos. (Six Nos.) of SDH equipment (STM1/STM4/STM16 or above) or MPLS-TP (1G / 10G) equipment in last seven (7) years reckoned from bid due date ". (Please find attached the screenshot of BQC Requirement along with this for your easy reference) Considering the same we would request you to dilute the BQC.</p> <p>Also, the requirement of 14 Nos. of SDH in a single order shall be sufficed by only 1 or 2 Bidders</p>	<p>The BEC Criteria cannot be changed at this stage. Hence, the Tender Condition prevails.</p>
