The total price given in 'Price break-up' sheet shall be reduced, by way of applying uniform percentage reduction on all the line items of a Group, to match the total price as quoted on GeM portal for issuance of SAP Order/ Fax of acceptance (to be issued out of GeM). Order on GeM portal shall be placed on total price quoted by bidder on GeM portal.</p>
					<p>Case II: - L1 bidder's quoted price on GeM portal is more than the price quoted in 'Price break-up' sheet uploaded. SAP Order/ Fax of acceptance shall be issued on price as quoted in 'Price break-up' sheet uploaded on GeM.
